Colour this picture in and glue it to some card and make it into an Easter card to give to someone

Colour in all the even numbers to reveal the message of Easter. You could colour in the rest in other colours after and stick in on your wall or something.

Something to make.

Get an adult to help you boil an egg, and when it is cooled down, draw and colour or paint a picture on it. It could be the Easter story or a face or anything.
