Come Holy Spirit

Cross out the wrong words in this story...

At Passover/Pentecost/Easter the disciples were fishing/shopping/waiting for Jesus to come back/Peter to bring in the fish for lunch/the special helper. They were all in the upper room/outside/in the middle of a crowd, when it started to rain/heard a loud wind/it started to thunder. The disciples watched and waited/started to dance/ran for cover. Next the disciples saw loads of rubbish flying about/flames of fire dancing around/the curtains flapping. Afterwards they all put on their hats/scratched their heads/started to talk in new languages. The crowds outside said that the disciples were drunk/had gone mad/were playing a silly game. Then Andrew/Peter/James went and shouted at the crowd/invited them in/spoke to them all. Later on all the people laughed at them/the crowd went away/3000 people decided to follow Jesus after Peter spoke to them.

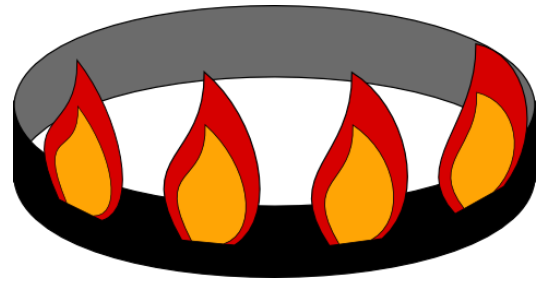

You can read the whole story for yourself in Acts (one of the books in the New Testament of the Bible)

Acts 2:1-41 (that is Acts Chapter 2 verse 1 to verse 41)

Activity

Colour in and then cut out this flame shape.

Then use some thin card make a band to go round your head, then stick the flame to it.

Have someone read the story of Pentecost to you, as you listen to it try to imagine what it must have been like for Peter and the other disciples.

Then as the wind is mentioned in the story think of ways to make wind — flapping arms, waving books, turning a fan on...

When the flames are mentioned put your head band on.

Why not ask someone to help you find words in different language's to speak to each other such as saying hello.

Then say thank you to God for sending us Jesus and for the coming of the Holy Spirit.
